LETTER OF AUTHORIZATION
Blessed Sacrament Church School

Dear Ms. Fields:

Blessed Sacrament Church School at the above location is hereby authorized to purchase tangible personal property and services, to be used exclusively in the instructional process, and tangible personal property for resale by the school, without payment of Georgia sales and use tax.

This Letter of Authorization is issued in lieu of a Certificate of Registration and is valid only when payment is tendered with an official check bearing the name of the school. The authorization is not valid for purchasing tangible personal property and services to be used in the construction, repairing or altering of real property or for motor fuels for on-highway use.

A copy of this Letter of Authorization must be furnished to each supplier of tangible personal property used for the purpose set out above in order to relieve the dealer from the collection of Georgia sales and use tax. The Letter of Authorization does not require a sales and use tax registration number.

Should you or any of your suppliers have a question concerning this Letter of Authorization, please feel free to contact me at (404) 417-6649.

Sincerely,

Jon C. Galbraith
Tax Policy Analyst, Sr.
