Hey Amber,

Sorry for the delay with this, hope you're having a great week!

Are they getting ADP with these? Couldn't remember if they did. Cost for these would be \$20/unit and I would love to send a demo, what's the best address and contact for it?

Qty 65

LAP7957 - 13-inch MacBook Air M1 Rugged Hardshell: \$20.00

Price includes standard shipping

Thanks so much, let me know if you have any questions or I can help with anything else!

Hi John,

I hope that this email finds you well. Can I please get a quote for 65 LAP7957?

The end user is Charles Wright Academy in Tacoma. They purchased the AlwaysOn cases recently.

Are samples available for these cases?

Thank you!

All the best,
