

Device buyback quote prepared for:

**Warwick School District**

## Company Profile

Tech to School was founded in Silicon Valley in 2003. We are a full-service asset disposition corporation with headquarters and refurbishment facility in San Jose, California.

Our primary client relationships are in the K-12 education marketplace. We've processed hundreds of thousands of devices for districts and schools of all sizes throughout all 50 states. For over 15 years, we have a perfect record of completing buybacks and meeting financial obligations to our customers, partners, and vendors.

We pride ourselves on service transparency and the ability to custom-fit the asset disposition process to the unique needs of our customers. It's our goal to provide fair and accurate analysis of value and condition of equipment purchased. We strive to have satisfied, referenceable clients.

Our facility is located at:  
2002 Martin Avenue  
Santa Clara CA, 95050

Our Federal Tax Identification number is 77-0620374.

The following persons will serve as the contacts to the District, with authorization to make representations on behalf of and to bind firm:

Jason Melero  
Director of Purchasing  
j.melero@techtoschool.com

Terry McCrary  
Logistics Coordinator

Tech to School is in good standing with the State of California and will have all necessary licenses, permits, certifications, approvals and authorizations necessary in order to perform all obligations in connection with this proposal.

## Ease of Transition

### **At Your Site**

Tech to School is a full-service asset disposition company. We will provide a “white glove” engagement which includes all packaging materials, personnel for on-site packing, palletizing, conveyance to the carrier, and freight shipment at no cost to the client.

### **At Our Facility**

Upon arrival at our facility, Tech to School will provide a receiving report to allow for confirmation that all devices were received. All equipment received by our facility undergoes a complete erasure of storage devices. Following a comprehensive audit, Tech to School will provide an audit report.

### **Typical Timeline**

Delivery of packing materials, packing, and freight removal can be completed within 14 days of equipment availability. Completion of audit will be within 30 days of collection by Tech to School.

## Data Sanitization

Tech to School uses iShredder, a secure data erasure application. iShredder surpasses international standards used by state and military organizations in secure file deletion with a wide selection of tried-and-trusted state-of-the-art deletion algorithms.

For both MacOS and iOS devices, we have the ability to utilize any of the the following secure deletion algorithms based on the district's preference: DoD 5220.22-ME, US Air Force (AFSSI-5020), US Army AR380-19, DoD 5220.22-M ECE, BSI/VS-ITR TL-03423, BSI-2011-VS, CSEC ITSG-06, NATO Standard, Gutmann, HMG InfoSec No.5, DoD 5220.22 SSD.

## Environmental Responsibility

No electronic equipment procured by Tech To School will be disposed of in any landfill. Any equipment deemed unfit or unsafe for resale will be properly disposed of through a process compliant with EPA standards. All recycled equipment will be mechanically disassembled into its base components (plastics, metals, wire, PCB, paper, etc.), hard drives shredded, and guaranteed an environmentally safe and secure disposition.

## Unlock More Value by Trading-In Your Devices

Tech to School is your end to end partner when it comes time to dispose of your devices. We help schools unlock the most value out of their devices by having a thorough and transparent process. Your devices are audited, wiped and either put back into the hands of students or recycled responsibly.

### How the Trade-In Process Works

#### Accurate Quotes

Providing an accurate and easy to understand quote is the first step in the Trade-In process.

Our quotes are designed around the needs of your school or district. We offer fixed bids, graded audits, pay on pickup, etc.

#### White Glove Pickup

We take care of the logistics of packing, pickup, and shipping of devices.

All shipments to our facility are insured.

Upon arrival, data on the devices is destroyed and you're provided with a detailed audit report.

#### Transparency Throughout

We've found the greatest way to build trust with our customers is to be transparent with our process.

Expect fast and accurate payment. Our goal is to make sure you're happy with the result of your trade-in.

- Decrease total cost of ownership
- Increase return on initial investment

- Highest prices paid for devices
- Devices stay in K-12 to further student learning

“The process of selling our Apple equipment was simple and straightforward. Having a single vendor to work with for the process saved us time and made us more money.”

- Chet Bembenek  
Technology Manager  
Columbus School District
