That would be fine with us. Just send me a w9 whenever you have it. My finance team cannot authorize payment without it.Thanks!

Georgette,

Thank you for the Google information. In addition, I will also need your feedback on a modification to the order. At this time, only 10 of these Chromebooks are available new. We can complete the order with 20 of an HP factory refurbished upgraded version. It's the same model with 8GB RAM and 128GB SSD instead of 8/64 for the same price. Will this substitution be acceptable? A revised quote is attached.
