Terms and Conditions for Purchase Order (or "PO" or "Contract")

1. DEFINITIONS: "Work" or "Services": All work and services that the Contractor must perform pursuant to this PO. "Site": The site(s) at which the Work must be performed. "Parties": The District and the Contractor.

2. SITE EXAMINATION: Contractor has examined the Site and (1) accepts all measurements, specifications and conditions affecting the Work to be performed and (2) warrants that it has examined the Site to the extent it deems necessary for accessibility for materials, workers and utilities, and for protection of existing surface and subsurface improvements. No claim as to undiscovered conditions on the Site will be allowed.

3. EQUIPMENT & LABOR: Contractor shall furnish all tools, equipment, apparatus, facilities, transportation, labor, and material to perform the Work at the times and places directed by and approved by District.

4. SUBCONTRACTORS: District reserves the right to approve any subcontractors engaged for any Work. Contractor agrees to bind every subcontractor by the terms of this PO, including, without limitation, indemnification, insurance, and warranty requirements. If Contractor subcontracts any of the Work or Contract, Contractor shall be fully responsible to District for the Work of its subcontractors and persons directly or indirectly employed by them. The Contract shall not create any contractual relationship between any subcontractor and District.

5. TERMINATION: District may terminate the Contract immediately upon District's written notice to Contractor. Termination shall not affect the rights and obligations of the Parties arising prior to the effective date of termination.

6. CHANGE IN SCOPE OF WORK: District shall not accept any change in the scope of Work, performance method, materials, price, or any other matter affecting the Work unless District approves the change in advance by a written, executed change order. Contractor agrees that District may request changes, reductions, or additions to the Work. The Contract Price shall be adjusted by reasonable valuations of the cost. Contractor shall provide District with all information to substantiate the cost whether the Work will be done by Contractor or a subcontractor. Prior to approval of a change order, Contractor shall submit any request for a time extension, and all information substantiating its claim for delay. If Contractor fails to submit a time extension request or all supporting information, it shall have waived any extension.

7. TRENCH SHORING: If a Contract for the excavation of a trench deeper than five (5) feet exceeds \$25,000, Contractor shall obtain District's prior acceptance of a detailed plan for shoring, bracing, sloping, or other plans for worker protection from caving. The plan shall be prepared by a registered civil or structural engineer if it varies from shoring system standards.

8. EXCAVATIONS OVER 4 FEET: If the Contract includes excavations over four (4) feet, Contractor shall, before the conditions are disturbed, notify District, in writing, of any: (1) Material that may be hazardous waste, as defined in Health & Safety Code § 25117 that must be removed to a Class I, II, or III disposal site in accordance with existing law; (2) Subsurface or latent physical Site conditions differing from those indicated; or (3) Unknown or unusual Site conditions. After receipt of Contractor's notice, District shall investigate the conditions, and may issue a change order under the Contract procedures. A District and Contractor dispute as to whether the conditions differ materially, involve hazardous waste, or cause a change in Contractor's cost or time to perform the Work shall not excuse Contractor from a Contract completion date. Contractor shall proceed with all Work. Contractor shall retain any rights from the Contract or law regarding dispute resolution.

9. WORKERS: Contractor shall enforce discipline and order among employees performing the Work and shall not employ any person who is unfit or unskilled in assigned Work. Contractor shall dismiss and not reemploy any person whom District deems incompetent or unfit.

10. CORRECTION OF ERRORS: Contractor shall perform, at its own cost, without reimbursement from the District, any work necessary to correct errors or omissions caused by Contractor's failure to comply with the standard of care required herein.

11. SUBSTITUTIONS: No substitutions of material shall be made without District's prior written approval.

12. CONTRACTOR SUPERVISION: Contractor shall provide competent supervision of personnel on the Site and of equipment use.

13. CLEAN UP: Contractor shall remove all debris. Contractor shall keep the Site in order at all times when Work is being performed and shall maintain the Site in a reasonably clean condition.

14. ACCESS TO WORK: Contractor shall provide the District safe and proper access to all Work at all times.

15. SAFETY; PROTECTION OF WORK & PROPERTY: Contractor shall maintain safety in the performance of the Work and shall erect and maintain, as required by conditions and progress of Work, all necessary safeguards, signs, barriers, lights, and security persons for protection of workers and the public, and shall post danger signs warning against hazards created by the Work. In an emergency affecting life and safety of Work or property, Contractor may act to prevent loss or injury. Contractor shall ascertain from District all rules and regulations about safety, security, and driving on school grounds.

16. ASSIGNMENT OF CONTRACT: Contractor shall not assign or transfer any of its rights, burdens, duties, or obligations under the Contract without District's prior written consent.

17. TIME IS OF THE ESSENCE: Time is of the essence in each Contract provision and condition.

18. OCCUPANCY: District may occupy buildings before Contract completion and occupancy shall not constitute acceptance of any Work, nor shall occupancy extend the Contract completion date.

19. INDEMNIFICATION: To the furthest extent permitted by California law, Contractor shall defend, indemnify, and hold harmless District, its agents, representatives, officers, consultants, employees, and volunteers ("Indemnified Parties") from any and all demands, losses, liabilities, claims, suits, and actions ("Claims") of any kind, nature, and description, including, but not limited to, attorneys' fees and costs, directly or indirectly arising from personal or bodily injuries, death, property damage, or otherwise arising out of, connected with, or resulting from performance of the Contract unless Claims are caused wholly by the sole negligence or willful misconduct of the Indemnified Parties. District may reject any legal representation that Contractor proposes to defend District.

20. PAYMENT: Unless otherwise specified, Contractor shall submit an invoice for materials or Work under the Contract. District shall make payment for materials, supplies or Work in a lump sum within thirty (30) days of: (1) completion of Work, and (2) delivery to and approval by authorized District agents of all invoices and evidence required by District. District may deduct from payment amounts to protect District from loss because of: (1) liquidated damages as of date of payment application; (2) sums spent by District performing Contractor's obligations; (3) defective Work not remedied; (4) stop notices; (5) doubt that the Work can be completed for the unpaid Contract balance or by the scheduled completion date; (6) unsatisfactory Contractor Work; (7) unauthorized deviations from Contract; (8) Contractor failure to maintain or submit timely, sufficient documentation; (9) false estimates of the value of Work performed; (10) expenses, losses, or damages, determined and incurred by District for which Contractor is liable under the Contract; and (11) any other sums which District may recover from Contractor under the Contract or state law, including Labor Code § 1727. District's failure to deduct from a progress payment shall not waive District's right to such sums. District shall retain 5% from all payments as retention for PO's/contracts in excess of \$25,000. Retention shall be paid pursuant to Public Contract Code §§ 7107 and 7200.

21. PERMITS & LICENSES: Contractor and its employees, agents, and subcontractors shall maintain in force, at Contractor's sole cost, all licenses and permits required for furnishing the materials, supplies, or Work.

22. INDEPENDENT CONTRACTOR STATUS: While carrying out the Work, Contractor is an independent contractor, and not an officer, employee, agent, partner, or joint venture of District. Contractor is solely responsible for its Worker's Compensation insurance, taxes, and similar obligations. Contractor is liable for its actions, including negligence, gross negligence, and acts or omissions of its agents or employees.

23. ANTI DISCRIMINATION: In connection with any District Contract, there shall be no discrimination against any employee because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor agrees to comply with applicable laws including, but not limited to, the California Fair Employment and Housing Act (Gov. Code, § 12900 et seq.) and Labor Code § 1735. Contractor shall require like compliance by all subcontractor(s).

24. WARRANTY/QUALITY: Unless specified otherwise, Contractor, manufacturer, or their assigned agents shall guarantee workmanship, products or Work against defects or failures for a minimum of one (1) year from filing of Notice of Completion or acceptance of Work by final payment or other written form. All Work shall be performed to the standard of care of entities performing similar work for California school districts in or around the same geographic area of the District and all workmanship and merchandise must comply with California energy, conservation, environmental, and educational standards.

25. CONFIDENTIALITY: Contractor shall maintain confidentiality of all information, documents, procedures, and other items Contractor encounters while performing Work to the extent allowed by law. This requirement shall survive expiration or termination of the Contract and includes student, parent, and disciplinary information.

26. COMPLIANCE WITH LAWS: Contractor shall give all notices and comply with all laws, ordinances, rules and regulations concerning the Work ("Laws"). If Contractor observes that any Work varies from any Laws, Contractor shall notify District, in writing, and, at District's sole option, any necessary changes to the scope of Work shall be made by written change order, or the Contract shall be terminated upon Contractor's receipt of District's written termination notice. If Contractor performs any work that is in violation of Laws, without first notifying District, Contractor shall bear all costs.

27. DISPUTES: In the event of a dispute between the Parties as to performance of Work, Contract interpretation, or payment, the Parties shall attempt to resolve the dispute by the procedures set forth in Public Contract Code § 20104 et seq., if applicable. Pending resolution of the dispute, Contractor shall neither rescind the Contract nor stop Work. All claims over \$375,000 may be determined by arbitration if mutually agreeable or by litigation. Written notice of demand for arbitration shall be filed with the other Party to the Contract. A demand for arbitration shall be made within ninety (90) days after written notice, and before Contractor's request for final payment.

28. ANTI-TRUST CLAIM: Contractor and its subcontractor(s) assign to District all rights, title, and interest to all causes of action under § 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with § 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to a contract or subcontract. This assignment shall become effective when District tenders final payment to Contractor, without further acknowledgment.

29. GOVERNING LAW: The Contract shall be governed by and construed in accordance with California laws with venue in the District's County.

30. PROVISIONS REQUIRED BY LAW DEEMED INSERTED: Every provision required by law to be in the Contract shall be deemed to be inserted and the Contract shall be read and enforced as though included.

31. BINDING CONTRACT: The Contract shall be binding upon the Parties and their successors and assigns, and inure to the benefit of the Parties' successors and assigns.

32. DISTRICT WAIVER: District's waiver of any term, condition, covenant ("Term") or of a breach of any Term shall not constitute waiver of any other Term or of a breach of any other Term.

33. INVALID TERM: If a Court determines any Contract term to be illegal, invalid or unenforceable ("Illegal Term"), the legality of the remaining terms shall not be affected, and the Illegal Term will not be part of the Contract.

34. ENTIRE CONTRACT: This PO and the documents expressly incorporated herein set forth the entire agreement between the Parties and supersedes all prior agreements or understandings between the Parties concerning the subject of this PO. Where a conflict exists between provision(s) in a District-prepared form of agreement that is expressly incorporated into this PO, the provision(s) of that agreement shall control.
