Dear Kym:

Our school would like to purchase (#082420) the following items based on the original quote: MTS96727

KH

The 1st year of warranty coverage on these iPads, their batteries and the OEM Apple adapters & USB cables that are shipped with them is no additional cost, but has no accidental damage coverage. But we do provide discounts for repairs and/or replacements in these instances.

Each iPad will have iPadOS 13 on the, prior to shipping, and includes OEM Apple adapters and USB cables.

Kym, thank you for your help. I appreciate it very much. If there is anything else you need please advise.
