

Tech *to* School

Device buyback quote prepared for:

St. Aidan School

Unlock the Value of Your Devices

We help schools capture the most residual value for their used Apple equipment.

Sell your used equipment and reduce total cost of ownership while freeing up budget dollars to reinvest in new technology.

Benefits of Selling

- Decrease Total Cost of Ownership
- Increase Return on Initial Investment
- Liquidate Depreciating Assets

Why Choose Tech to School

- Largest volume of Apple device buybacks
- 14+ years serving the K12 market
- Highest prices paid for Apple devices

Our Process

Detailed Quote

We know K12. You'll receive flexible quoting options that give you and your team the numbers you need to make the best selling decision.

Free Packing and Pickup

We take care of the logistics of packing, pickup, recycling and shipping at no charge.

Transparent Process

Our audit process is the best in the business. You'll receive detailed audit reports and pictures. You're in the loop from pickup to payment.

Our dedicated team is committed to providing the highest level of service that offers the greatest possible returns to our clients. We provide fast, fair and reliable liquidation services while overseeing the entire process from quote to full service removal and payment.

What Customers are Saying

“After reaching out to and hearing back from multiple companies, Tech to School was able to offer Parma City Schools the best buyback price by a considerable margin. A very large project was completed in a short time without issue thanks to Tech to School!”

- Dan Gedeon, Supervisor, End User Support, Parma City Schools

“Midway ISD was pleased with the entire process from start to finish. They evaluated our hardware and formed a relationship with a personal touch. We've used other partners for buyback programs, but they excelled in creating a custom fit for our specific challenges. We would do business with them again.”

- Midway ISD

Terms and Conditions

Equipment Condition

The buyback quote amount is determined by equipment condition (i.e. Grade A - D), equipment quantity and configuration matching quoted models, included accessories (Apple power adapters, keyboards, etc.) and timeframe of shipment. Deductions will be made for permanent asset tags and for firmware passwords not removed. The quote amount may be modified if any of the above do not match the quote. All devices must be removed from iCloud accounts and/or disowned from the Device Enrollment Program prior to shipping. Locked devices are graded F regardless of condition and have no value. Tech to School does not have the ability to deactivate accounts on Apple devices and reserves the right to request unlock facilitation from the seller post-sale.

Packing and Shipping

Tech to School will provide all shipping materials and freight shipment. Packing instructions and prepaid shipping labels will be sent by Tech to School. Packing of equipment will be the responsibility of the seller.

Data Destruction

All data is removed from equipment received by Tech to School. Proof of data destruction available upon request. Devices must be removed from MDM, iCloud, and DEP/ASM before Tech to School can sanitize data. The complete DEP/ASM Activity Log in CSV format is required for all Apple devices. Payment cannot be released until this document is received.

Proceeds

Full payment will be sent via check within 60 days of receipt of equipment by Tech to School.

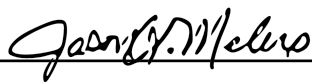

Title and Finality

The sale is final, and title to equipment transfers to Tech to School upon equipment pickup. Tech to School may immediately resell equipment following pickup. If parties later disagree on equipment grade pricing adjustments after audit, such disagreements shall be resolved through arbitration to be conducted before JAMS. In no event will equipment be returned following pickup.

By signing this document the buyback offer is approved and both parties agree to the above terms and conditions. After signing, please fax entire document to 877-719-6480 or email to j.melero@techtoschool.com.
