TRACKING INFORMATION

APPLICABLE TERMS & CONDITIONS

IOS Changes Any alterations made to the IOS may void the Teksavers hardware warranty.
Net Terms Legal title of property does not convey until products are paid in full. In case of default, purchaser agrees to reimburse company (Teksavers) for any legal or collection fees incurred.
Restocking 20% Cancellation of this order is subject to a 20% restocking fee. Shipping costs are not refundable.
Shipping not Included Shipping costs are not included in this quote.
SmartNet Eligibility We are not responsible for the eligibility of equipment for manufacturer's maintenance. Ineligibility of equipment is not a grounds for return/cancellation.
Special Order Special order items, which include but are not limited to custom configurations of hardware, software, or memory, are not returnable or refundable.

Warranty	Warranty is for normal use and does not include damage due to improper handling, Acts of God or War. We will only accept returns for cosmetic issues when identified within 48 hours of receipt. The length of warranty is determined by the sales representative for your account, based on negotiated rates and terms of your individual transaction. Please reference the warranty field on your invoice for the length of coverage. This warranty covers advanced part replacement warranty on NBD equipment delivery, when applicable, and does NOT represent IOS support coverage (such as Cisco smartnet).
Quote Validation Period	Please note that due to constant market changes the quote is Valid for (7) days or while supplies last. If longer than 7 days please contact your Sales Representative
Currency	Prices are based on USD Currency only.
Lead Time	Delivery lead time is 3 to 5 days.
TekNet Support	Extend the lifetime of your networking equipment with Teksavers' TekNet maintenance plans. Customize your plan to work best for you. We offer up to 24*7 technical support, NBD hardware coverage, onsite spares, and onsite service visits by a certified technician.
