Terms and Conditions

Equipment Condition

The buyback quote amount is determined by equipment condition (Grade A-D), equipment quantity and configuration matching quoted models, included accessories (power adapters, keyboards, etc.) and timeframe of shipment. The quote amount may be modified if any of the above do not match the quote. Deductions will be made for permanent asset tags or markings, firmware passwords, and management services not deactivated. All devices must be removed from iCloud, Apple School Manager, and/or Chromebook management prior to shipping. Locked devices are graded regardless of condition and have no value. Tech to School does not have the ability to deactivate management accounts and reserves the right to request unlock facilitation from the seller post-sale.

Packing and Shipping

Tech to School will provide all shipping materials and freight shipment. Packing instructions and prepaid shipping labels will be sent by Tech to School. Packing of equipment will be the responsibility of the seller.

Data Destruction

All data is removed from equipment received by Tech to School. Proof of data destruction available upon request.

Proceeds

Proceeds will be determined by final audited results. Payment via check will be sent within 60 days of equipment receipt by Tech to School.

Title and Finality

The sale is final, and title to equipment transfers to Tech to School upon equipment pickup. Tech to School may immediately resell equipment following pickup. If parties later disagree on equipment grade pricing adjustments after audit, such disagreements shall be resolved through arbitration to be conducted before JAMS. In no event will equipment be returned following pickup.
