Wensday,

We just shipped to this customer on July 6, 2020 & July 24, 2020. They paid their bills on time, and the AP Data person hasn't changed. School has started, this good customer needs the equipment shipped today, or tomorrow at the latest.

Maybe, come September we send out emails to all current AP Data contacts. And, at said time can either confirm they are the correct part, or update with new information if it applies.

Warmest regards,

Kym Humay

This is another one that has not updated their AP info sense 2019, and that update was verbal, the AP form was filled out in 2016. I would like to have a new AP form filled out so that we have proper records, can you help with that?

Thanks!
