Hello Dana,

It was a pleasure meeting you at the 2020 IDEACon Conference. Congratulations! You won the \$250.00 prize to be used as a credit to make a future purchase with Tech to School. This is a one-time purchase; no remaining funds to be distributed should you not use the entire amount. You can apply additional funds using a credit card if the purchase for the dollar amount exceeds \$250.00.

When you are ready to redeem, you can either call or email me to assist you with the next steps. Thank you, I look forward to collaborating with you to support your technology needs.

Warmest regards,

Kym Humay
