Subject: 800 x LEN7079AIR for Dallas Center - Grimes Community School District in IA

Hi Rick,

The Tech Director invited me to bid on what looks like a public RFP for his refresh (other undisclosed recipients on his email). If I'm first one in, can I get reg pricing on this? I am quoting with adp but don't know whether he'll go for it. To make a competitive quote I need volume pricing.

Bids accepted until May 8 and awarded May 18.

Ryan Ladden

Regional Director of Education Partnerships
